

# REQUIRED FOR FAITH CLASSES

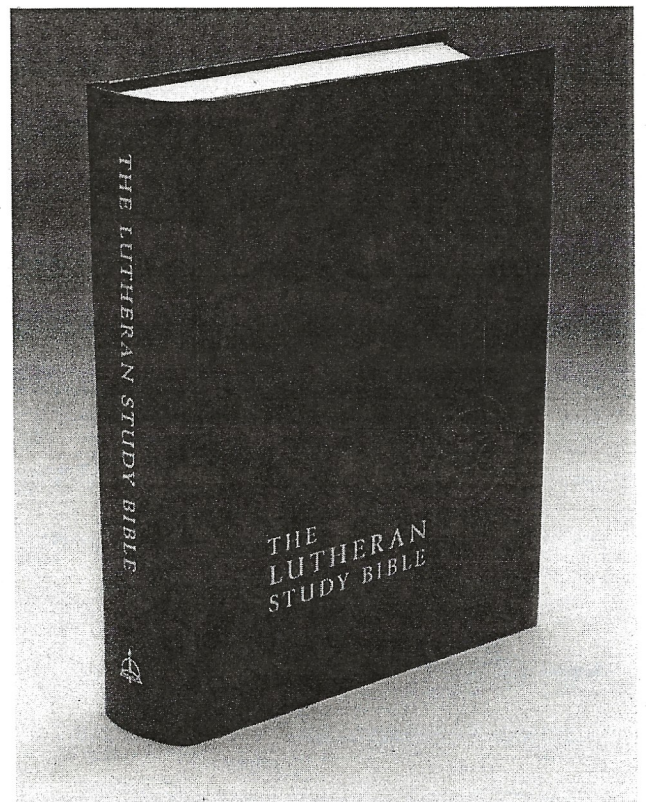

All students must purchase their own copy of the **Lutheran Study Bible ESV** (English Standard Version).

Bibles can be purchased in multiple places.

Students/Parents have the flexibility to choose whether they would prefer a soft or hard cover for their own personal use. (However, we do encourage a hard cover simply because it's more durable.)

Our hope is that throughout their four years at Lutheran Westland, students will take notes, and this will become a valuable tool in their faith growth not only while they're here, but also after high school.
